

Load in- and out

Event in the front of the building – Foyer and/or Loft

Standing in front of the theatre – with your back to the water – you can find the loading doors at the right side of the building. Coming from the Danzigerkade you can use the driveway at the right side of the building to come to the loading doors. Please use the intercom at the door to make notice of your visit and we will open the doors for you.

Event in the Auditorium and/or Black Box.

Standing in front of the theatre – with your back to the water – the loading dock is located at the left side. You find here the barrier. Please ring the intercom to make notice of your visit and we will open the barrier and loading dock for you. Please drive straight ahead to find the loading dock on your right hand.

Important:

- For bigger trucks it is not possible to make a turn on this platform. Please have a look if it is needed to make your turn before the barrier.
- It is not allowed to stay parked on this platform. This platform is only for loading in- and/or out and only licensed persons can park here.

You can find the groundplan on the next page.
